

**INJECTION WELL STIMULATION PLAN
40 CFR 146.82(a)(9)**

Pelican Sequestration Project

1.0 Facility Information	1
2.0 Stimulation plan.....	1

1.0 Facility Information

Facility name: Pelican Sequestration Project
Pelican CCS 1 Well

Facility contact: [REDACTED], Project Manager
5 Greenway Plaza Houston, TX 77046
[REDACTED]

Well location: Holden, Livingston Parish, Louisiana
[REDACTED] (NAD 1927, BLM Zone 15N)

2.0 Stimulation plan

Stimulation to enhance the injectivity potential in the Pelican CCS 1 well is not anticipated at this time. The need for stimulation will be determined once the characterization data from the Pelican Sequestration Project wells are available and have been evaluated (i.e., results of geophysical logs, core analyses, and hydrogeologic testing). If it is determined that stimulation techniques are needed, a separate plan will be developed and submitted for review and approval before conducting any stimulation.
