

**MEMORANDUM OF CARBON DIOXIDE STORAGE AGREEMENT**

STATE OF COLORADO §

KNOW ALL MEN BY THESE PRESENTS:

COUNTY OF WELD §

THIS MEMORANDUM OF CARBON DIOXIDE STORAGE AGREEMENT relates to that certain unrecorded Pore Lease Agreement, effective August 12th 2024, by and between **Joan D. Novak and Andrew John Novak**, husband and wife, whose mailing address is 47000 County Road 77 Briggsdale, CO 80611-9407, (hereinafter referred to as "Grantor"), successors and assigns, and **CapturePoint Solutions LLC**, a Delaware limited liability company, and its successors and assigns (hereinafter referred to as the "Grantee"), with an address of 1101 Central Expressway South, Suite 150, Allen, Texas 75013, (the "Agreement").

WITNESSETH:

1. Pursuant to the Agreement, Grantor's have granted to Grantee a Carbon Dioxide Storage Agreement (the carbon dioxide storage right which is conveyed hereunder shall be referred to as the "Agreement") covering the property being more particularly described on EXHIBIT "A", attached hereto and made a part hereof, located in Weld County, Colorado, as ("Grantor's Property").
2. The Agreement provides for an initial term of one (1) year (the "Initial Study Period"), followed by a primary term of three (3) years with an option to extend for an additional two (2) years (together the "Permit Approval Period"), the continuing for so long as Grantee continues Storage Facility Operations, followed by a Post Operations Term as required by Grantee's permit or applicable regulations.
3. The Agreement permits Grantee to conduct drilling operations on, across and under Grantor's Property, including storage of Carbon Dioxide, as part of a pool of adjacent and neighboring tracts or properties comprising a common reservoir and storage facility as designated, approved, or permitted (a "Storage Facility"). Any operations on any tract constituting part of said pool, common reservoir, or Storage Facility shall constitute operations on Grantor's Property. Grantee may file in the public records or obtain further orders approving, pooling, or unitizing Grantor's Property as part of a common reservoir or Storage Facility for the injection, storage, withdrawal, and sequestration of Carbon Dioxide. Grantor agrees to consent to, and not oppose, any application by Grantee for permits and orders to designate, approve, and authorize the pooling of or designation of a common Carbon Dioxide storage reservoir, to approve the Storage Facility, and to grant approval to construct and operate the Storage Facility.
4. Both Grantor and Grantee have a fully executed copy of the Agreement containing other terms and provisions not herein set forth but incorporated by reference herein for all purposes. This Memorandum is executed for the purposes of placing all parties dealing with the lands herein above described, or with the improvements constructed on said lands, on notice of the existence of the referenced Agreement and, where appropriate, its contents.

Executed this 12th day of August 2024.
