Class VI Injection Well Application

Attachment 04: Injection Well Construction
40 CFR 146.82(a)(9), (11), and (12)

Dragon Project
Tazewell County, Illinois

22 November 2024

Project Information

Project Name: Dragon

Project Operator: Vault Dragon CCS LP

Project Contact: Scott Jordan, Project Manager
Vault Dragon CCS LP
1125-17th Street, Suite 1275
Denver, Colorado 80202
Email: dragon@vault4401.com
Phone: 713-930-4401

Dragon Injection Well 1 (DRG INJ1) Location:

Tazewell County, Illinois

Latitude: 40.45742° N

Longitude: 89.74468° W

Table of Contents

1. Injection Well Construction Details.....	4
2. Injection Well Construction Diagrams.....	6
3. References.....	11

List of Figures

Figure 1: PBI DRG INJ1 well construction proposed schematic.	7
Figure 2: PBI DRG INJ1 injection wellhead proposed schematic	8
Figure 3: PBI DRG INJ1 contingency well construction proposed schematic.....	9
Figure 4: PBI DRG INJ 1 contingency wellhead proposed schematic.....	10

List of Tables

Table 1: PBI Openhole section diameters and intervals.	4
Table 2: PBI Casing specifications.	5
Table 3: PBI Tubing specifications.....	5
Table 4: PBI Packer specifications.	5

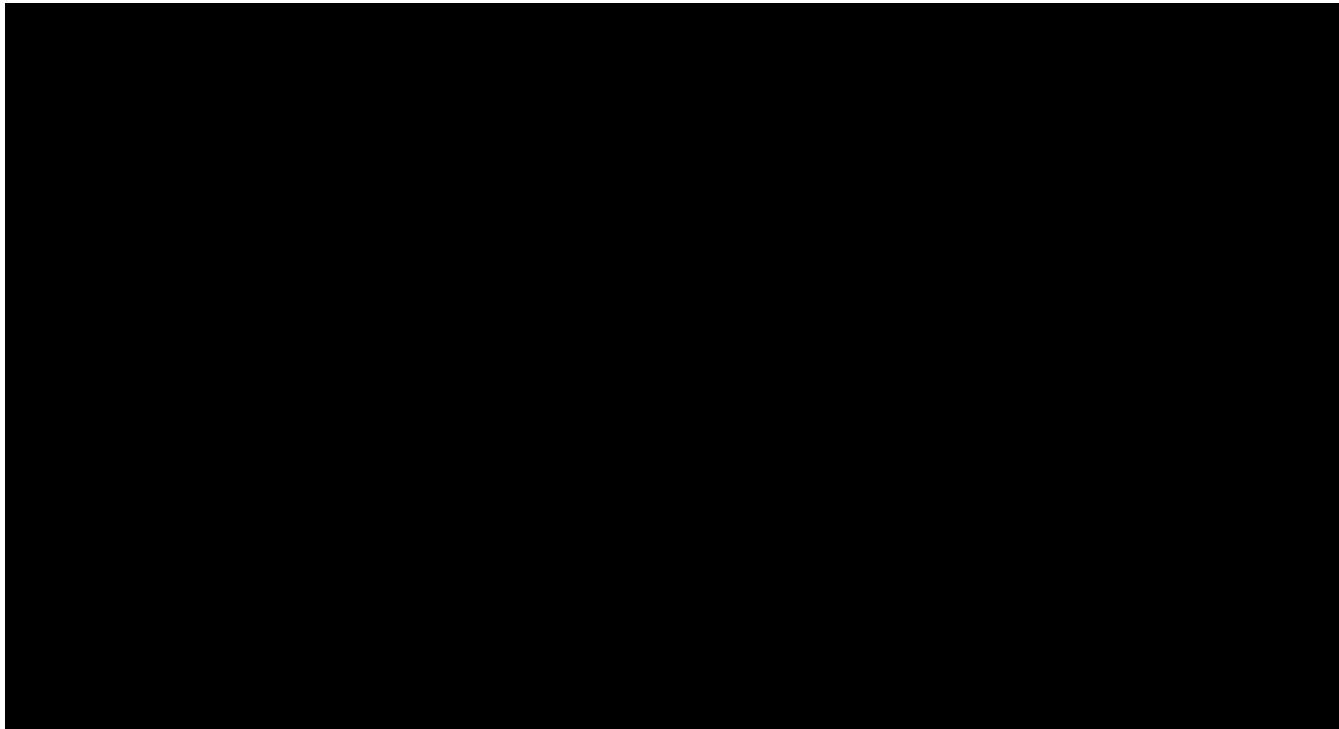

List of Acronyms and Abbreviations

API	American Petroleum Institute
CCS	carbon capture and sequestration
DRG INJ1	Dragon Injection Well 1
PBI	proprietary business information
psi	pounds per square inch

The construction details for the Dragon Injection Well 1 (DRG INJ1) are described in this attachment. Note that all depths in this document are relative to ground level. Any adjustments to the reference datum will be made upon resubmittal of this document following the installation of the project wells.

1. Injection Well Construction Details

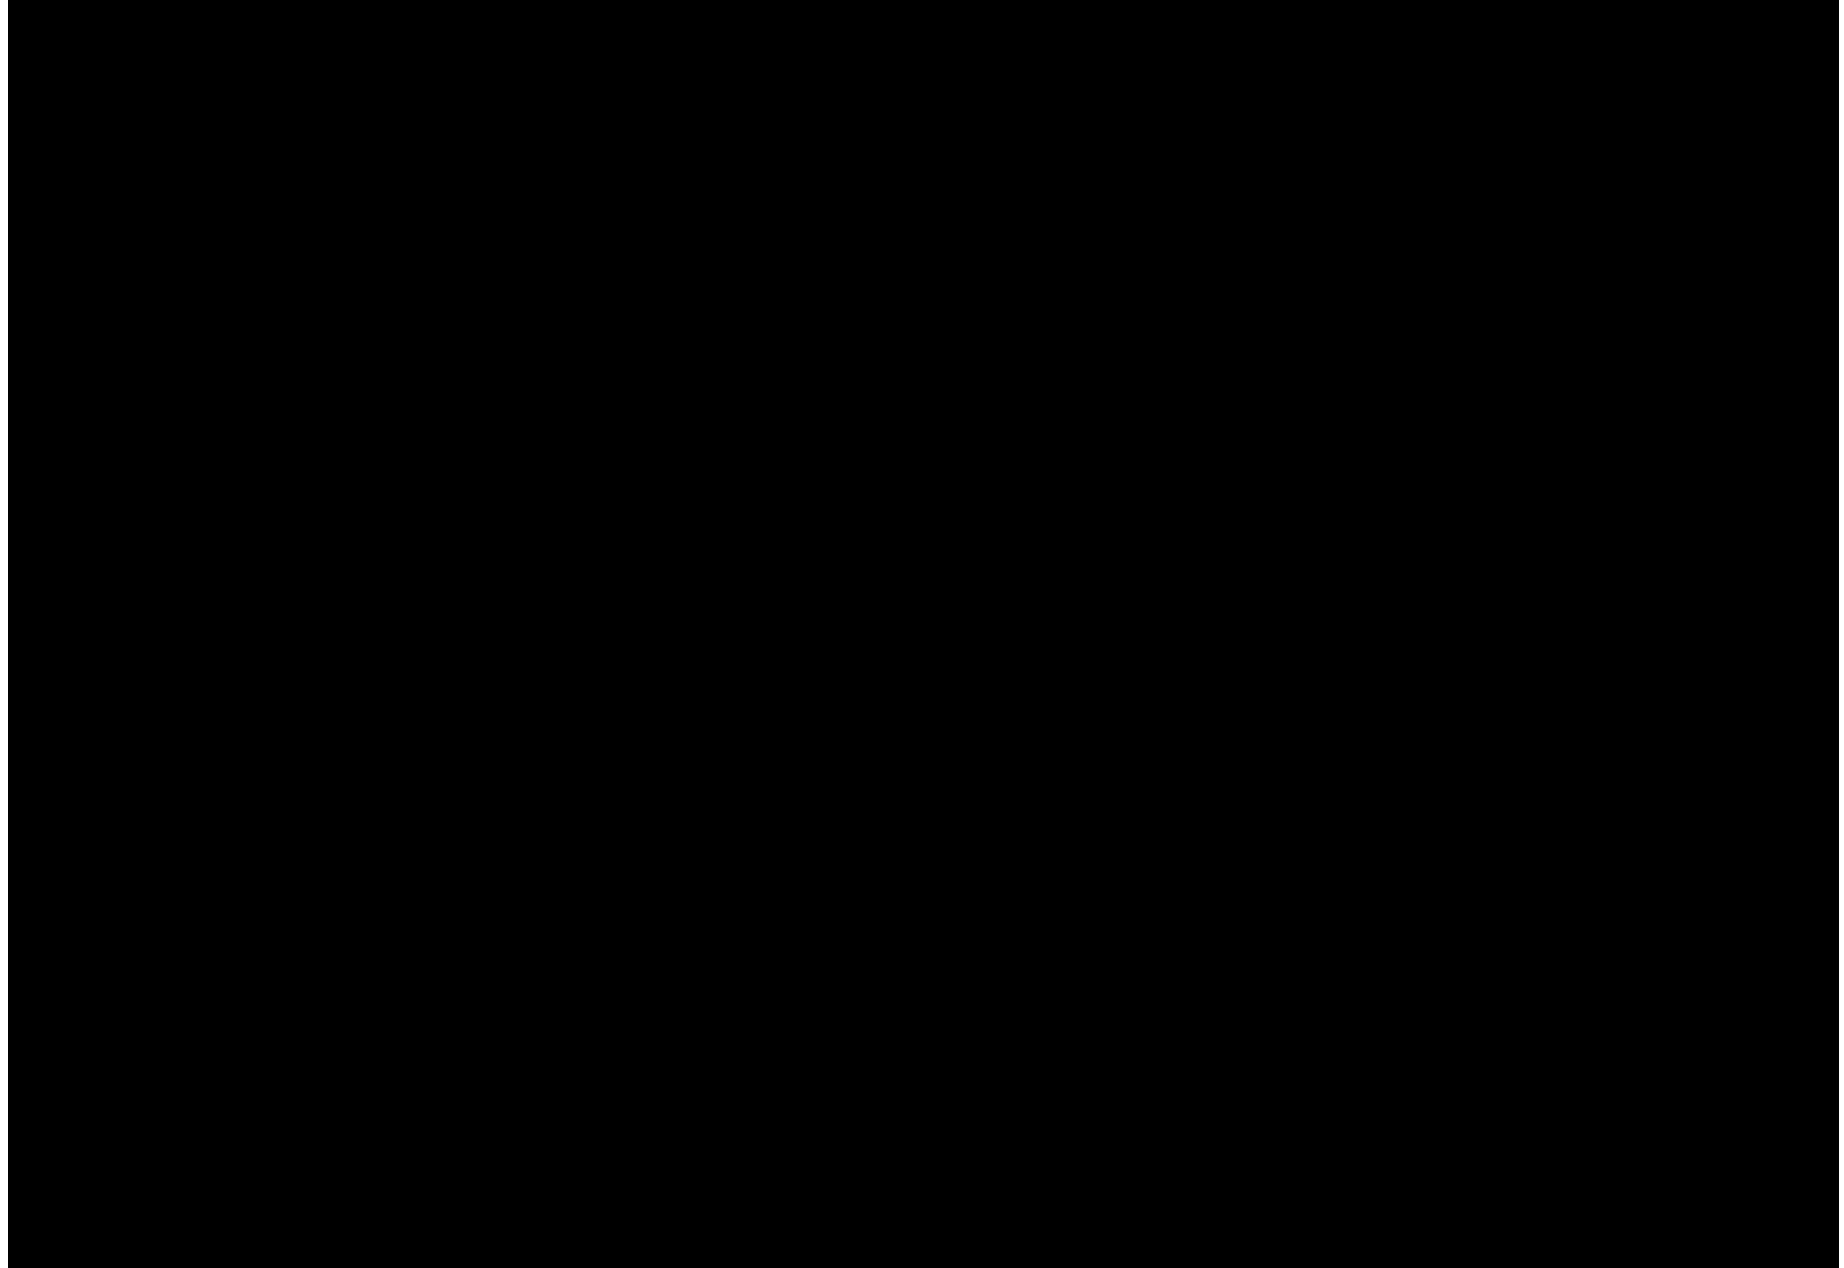

Table 1 describes the DRG INJ1 openhole section diameters and intervals. Table 2 outlines the casing specifications. Table 3 contains information regarding the tubing specifications, and Table 4 displays the packer specifications.
